He has expressed regret at the way investigative journalist, Manasseh Azure treated him. According to Mr. Adjei, he took Azure like a son and funded some of his works.

Offers the true story of a former CIA operative who was recruited out of Iran while serving as a member of the secretive and feared Revolutionary Guards.

A true story as exhilarating as a great spy thriller, as turbulent as today ' s headlines from the Middle East, 2010 National Best Books Award-winning A Time to Betray reveals what no other previous CIA operative ' s memoir possibly could: the inner workings of the notorious Revolutionary Guards of Iran, as witnessed by an Iranian man inside their ranks who spied for the American government. It is a human story, a chronicle of family and friendships torn apart by a terror-mongering regime, and how the adult choices of three childhood mates during the Islamic Republic yielded divisive and tragic fates. And it is the stunningly courageous account of one man ' s decades-long commitment to lead a shocking double life informing on the beloved country of his birth, a place that once offered the promise of freedom and enlightenment—but instead ruled by murderous violence and spirit-crushing oppression. Reza Kahlili grew up in Tehran surrounded by his close-knit family and two spirited boyhood friends. The Iran of his youth allowed Reza to think and act freely, and even indulge a penchant for rebellious pranks in the face of the local mullahs. His political and personal freedoms flourished while he studied computer science at the University of Southern California in the 1970s. But his carefree time in America was cut short with the sudden death of his father, and Reza returned home to find a

country on the cusp of change. The revolution of 1979 plunged Iran into a dark age of religious fundamentalism under the Ayatollah Khomeini, and Reza, clinging to the hope of a Persian Renaissance, joined the Revolutionary Guards, an elite force at the beck and call of the Ayatollah. But as Khomeini's tyrannies unfolded, as his fellow countrymen turned on each other, and after the horror he witnessed inside Evin Prison, a shattered and disillusioned Reza returned to America to dangerously become "Wally," a spy for the CIA. In the wake of an Iranian election that sparked global outrage, at a time when Iran's nuclear program holds the world's anxious attention, the revelations inside *A Time to Betray* could not be more powerful or timely. Now resigned from his secretive life to reclaim precious time with his loved ones, Reza Kahlili documents scenes from history with heart-wrenching clarity, as he supplies vital information from the Iran-Iraq War, the Marine barracks bombings in Beirut, the catastrophes of Pan Am Flight 103, the scandal of the Iran-Contra affair, and more . . . a chain of incredible events that culminates in a nation's fight for freedom that continues to this very day. *A TIME TO BETRAY* was the winner of The National Best Books 2010 Awards for Non-Fiction Narrative. It was also honored as the "Finalist" in the "Autobiography/Memoirs" category. It is now part of JCITA's (Joint Counterintelligence Training Academy of DOD) Iranian Program's readings.

THE INSTANT New York Times, Wall Street Journal, USA Today, and IndieBound BESTSELLER An NPR Book of the Day Picking up where the New York Times bestselling *Front Row* at the Trump Show left off, this is the explosive look at the aftermath of the election—and the events that followed Donald Trump's leaving the White House—from ABC News' chief Washington correspondent. Nobody is in a better position to tell the story of the shocking final chapter of the Trump show than Jonathan Karl. As the reporter who has known Donald Trump longer than any other White House correspondent, Karl told the story of Trump's rise in the New York Times bestseller *Front Row* at the Trump Show. Now he tells the story of Trump's downfall, complete with riveting behind-the-scenes accounts of some of the darkest days in the history of the American presidency and packed with original reporting and on-the-record interviews with central figures in this drama who are telling their stories for the first time. This is a definitive account of what was really going on during the final weeks and months of the Trump presidency and what it means for the future of the Republican Party, by a reporter who was there for it all. He has been taunted, praised, and vilified by Donald Trump, and now Jonathan Karl finds himself in a singular position to deliver the truth.

A Christian Science Monitor Best Book of the Year From the award-winning author of *Waiting and War Trash*: a riveting tale of espionage and conflicted loyalties that spans half a century in the entwined histories of two countries—China and the United States—and two families. When Lilian Shang, born and raised in America, discovers her father's diary after the death of her parents, she is shocked by the secrets it contains. She knew that her father, Gary, convicted decades ago of being a mole in the CIA, was the most important Chinese spy ever caught. But his diary, an astonishing chronicle of his journey as a Communist intelligence agent, reveals the pain and longing that his double life entailed—and point to a hidden second family that he'd left behind in China. As Lilian follows her father's trail back into the Chinese provinces, she begins to grasp the extent of his dilemma: he is a man torn between loyalty to his motherland and the love he came to feel for his adopted country. She sees how his sense of duty distorted his life, and as she starts to understand that Gary too had been betrayed, Lilian finds that it is up to her to prevent his tragedy from endangering yet another generation of Shangs. A stunning portrait of a multinational family and an unflinching inquiry into the meaning of citizenship, patriotism, and home, *A Map of Betrayal* is a spy novel that only Ha Jin could write. From the Hardcover edition.

The Himalayas have saved India from many invasions, but when a veteran Border Intelligence Officer dies a cold death in the deep mountains, the intelligence establishment is sent into a tizzy. The information he extracted before dying confirms their worst nightmares. Little do they know it's just the beginning of a covert invasion that would change the Asian intelligence order forever. At a time when the Indians are trying to recover from the deadly Mumbai attacks, a more sinister plan is put into motion. The Indians call upon their best, and so Abhimanyu finds himself pulled from his honeymoon. His personal life has been put on hold, once again. From the high Himalayan mountain passes to the endless horizons of Thar, the leads take him to a point of no return. He wanted to retire soon, but the call of duty stretches him once again. While the enemy remains elusive, the possibility of a mole troubles him even more. Will he lose himself before he finds the truth, or will he let the truth find him and kill him?

I thought I had a lot of questions before. Finding myself back in Besmet with the demon from my dreams, I'm finding it hard to deny the connection I feel toward him, despite the fact that he's certifiably insane. When did my life get so chaotic? My green magic isn't stable. My moods aren't stable. My ex isn't stable. Gran's not stable... oh who am I kidding? She's never been stable, so at least one of us is consistent. Luckily, I still have my guys; Cam, Fischer, Kai, and maybe Sloane. Honestly, I'm not sure that Sloane is capable of letting someone claim him, but he certainly makes my heart race. Secrets, lies, and prophecies are coming to light. Hopefully I put my trust in the right people because betrayal on its own is terrible, but to be betrayed by those who swore to protect you? That would be devastating... This is a full-length RH romance, intended for adults 18 and over, which includes MMFMMM content. It ends on a cliffhanger and contains domestic violence including physical, mental, and sexual abuse and other themes that readers may find triggering. *This is the second book in a paranormal RH series.*

The riveting true story of the rise and fall of Murder, Inc. and the executioner-turned-informant whose mysterious death became a turning point in Mob history. In the fall of 1941, a momentous trial was underway that threatened to end the careers and lives of New York's most brutal mob kingpins. The lead witness, Abe Reles, had been a trusted executioner for Murder, Inc., the enforcement arm of a coast-to-coast mob network known as the Commission. But the man responsible for coolly silencing hundreds of informants was about to become the most talkative snitch of all. In exchange for police protection, Reles was prepared to rat out his murderous friends, from Albert Anastasia to Bugsy Siegel—but before he could testify, his shattered body was discovered on a rooftop outside his heavily-guarded hotel room. Was it a botched escape, or punishment for betraying the loyalty of the country's most powerful mobsters? Michael Cannell's *A Brotherhood Betrayed* traces the history of Murder, Inc. through Reles' rise from street punk to murder chieftain to stool pigeon, ending with his fateful death on a Coney Island rooftop. It resurrects a time when crime became organized crime: a world of money and power, depravity and corruption, street corner ambushes and elaborately choreographed hits by wise-cracking foot soldiers with names like Bugsy Goldstein and Tick Tock Tannenbaum. For a brief moment before World War II erupted, America fixated on the delicate balance of trust and betrayal on the Brooklyn streets. This is the story of the one man who tipped the balance.

The breathtaking sequel to Sarah Henning's *The Princess Will Save You*--a brilliantly-executed YA fantasy homage to *The Princess Bride* KEEP YOUR EYE ON THE CROWN... After a thousand years of political stability, the realm of The Sand and Sky is up for grabs. Four kingdoms, four rulers vying for the ultimate prize, sovereignty over the entire continent: A ruthless old king spinning webs, whose schemes encompass generations. A widowed queen whose only credo is all kings must die. A runaway queen whose unexpected return upends everyone's plans. And a prince-in-waiting determined to wait no more. Standing against them are a dispossessed princess and her stable boy love with a surprising claim of his own. Their only hope in the face of unspeakable betrayals, enemies hidden in the shadows, and insurmountable odds is the power of true love... *The Kingdoms of Sand & Sky* Trilogy Book 1: *The Princess Will Save You* Book 2: *The Queen Will Betray You* Book 3: *The King Will Kill You* Praise for *The Princess Will Save You* "Full of inconceivable wit, daring adventure, and cunning political machinations...It's as if Sarah Henning looked into my soul that yearned for a book like *The Princess Bride* and said—as you wish. And yes, this is a kissing book." —Ashley Poston, author of *Heart of Iron* "A breakneck fantasy adventure.... Swoony romance, sword fights, a great cast of characters and some clever parallels to a story about another princess who won't be made a bride makes *The Princess Will Save You* a strong contender for my favorite novel of the year." —Emily Hall Schroen, Main Street Books, St.

Charles, Missouri At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Kendra Donovan ' s adventures in nineteenth-century England continue when she is called upon to investigate the murder of a spymaster. February 1816: A race through the icy, twisting cobblestone streets of London ends inside an abandoned church—and a horrific discovery. Bow Street Runner Sam Kelly is called to investigate the grisly murder of Sir Giles Holbrooke, who was left naked and garroted, with his tongue cut out. Yet as perplexing as that crime is, it becomes even stranger when symbols that resemble crosses mysteriously begin to appear across the dead man ' s flesh during autopsy. Is it a message from the killer? Sam turns to the one person in the kingdom who he believes can answer that question and solve the bizarre murder—the Duke of Aldridge ' s odd but brilliant ward, Kendra Donovan. While Kendra has been trying to adapt to her new life in the early nineteenth century, she is eager to use her skills as a twenty-first century FBI agent again. And she will need all her investigative prowess, because Sir Giles was not an average citizen. He was one of England ' s most clever spymasters, whose life had been filled with intrigue and subterfuge. Kendra ' s return to the gritty streets and glittering ballrooms of London takes her down increasingly dangerous paths. When another body is discovered, murdered in the same apparently ritualistic manner as Sir Giles, the American begins to realize that they are dealing with a killer with an agenda, whose mind has been twisted by rage and bitterness so that the price of a perceived betrayal is death.

The New York Times bestselling author of Bringing Down the House and The Accidental Billionaires tells his most incredible story yet: A true drama of obscene wealth, crime, rivalry, and betrayal from deep inside the world of billionaire Russian oligarchs that Booklist called “ one more example of just how talented a storyteller [Mezrich] is. ” Meet two larger-than-life Russians: former mathematician Boris Berezovsky, who moved into more lucrative ventures as well as politics, becoming known as the Godfather of the Kremlin; and Roman Abramovich, a dashing young entrepreneur who built one of Russia ' s largest oil companies from the ground up. After a chance meeting on a yacht in the Caribbean, the men became locked in a complex partnership, surfing the waves of privatization after the fall of the Soviet regime and amassing mega fortunes while also taking the reins of power in Russia. With Berezovsky serving as the younger entrepreneur ' s krysha—literally, his roof, his protector—they battled their way through the “ Wild East ” of Russia until their relationship soured when Berezovsky attacked President Vladimir Putin in the media. Dead bodies trailed Berezovsky as he escaped to London, where an associate died painfully of Polonium poisoning, creating an international furor. As Abramovich prospered, Berezovsky was found dead in a luxurious London town house, declared a suicide. With unprecedented, exclusive first-person sourcing, Mezrich takes us inside a world of unimaginable wealth, power, and corruption to uncover this exciting story, a true-life thriller epic for our time— “ Wolf Hall on the Moskva ” (Bookpage).
