W. E. B. Du Bois was a public intellectual, sociologist, and activist on behalf of the African American community. He profoundly shaped black political culture in the United States through his founding role in the NAACP, as well as internationally through the Pan-African movement. Du Bois's sociological

and historical research on African-American communities and culture broke ground in many areas, including the history of the post-Civil War Reconstruction period. Du Bois was also a prolific author of novels, autobiographical accounts, innumerable editorials and journalistic pieces, and several works of history. One of the most neglected and obscure books by W. E. B. Du Bois, *In Battle for Peace* frankly documents Du Bois's experiences following his attempts to mobilize Americans against the emerging conflict between the United States and the Soviet Union. A victim of McCarthyism, Du Bois endured a humiliating trial—he was later acquitted—and faced political persecution for over a decade. Part autobiography and part political statement, *In Battle for Peace* remains today a powerful analysis of race in America. With a series introduction by editor Henry Louis Gates, Jr., and an introduction by Manning Marable, this edition is essential for anyone interested in African American history.

Fourteen-year-old Rooney loves hip-hop almost as much as she loves her grandmother. She cannot wait to compete in her school's dance competition. But as her grandmother's health deteriorates, Rooney becomes more and more reluctant to visit her in the care home. These feelings of guilt and frustration cause Rooney to mess things up with her hip-hop dance partner and best friend, Kira. But

Embrace and revel in the stories of the toughest cyclists of all time, told by The Velominati, originators of The Rules. Read and get ready to ride . . . In cycling, suffering brings glory: a rider's value can be judged by their results, but also by their panache and heroism. Prepared to be awed and inspired by Chris Froome riding on at the Tour de France with a broken wrist or Geraint Thomas finishing it with a broken pelvis. In The Hardmen the writers behind cycling superblog Velominati.com and The Rules will tell the stories and illuminate the myths of not just the greatest cyclists ever, but the toughest. From Eddy Merckx to Beryl Burton, and from Marianne Vos to Edwig Van Hooydonk, the book will lay bare the secrets of their extraordinary and inspirational endurance in the face of pain, danger and disaster. After all, suffering is one of the joys of being a cyclist. Embrace climbs, relish the descents, and get ready to harden up. . .

Featuring art and writing from the students of the Parkland tragedy, this is a raw look at the events of February 14, and a poignant representation of grief, healing, and hope. The students of Marjory Stoneman Douglas High School share their emotional journeys that began on February 14, 2018, and continue today. This revealing and unfiltered look at teens living in the wake of tragedy is a poignant representation of grief, anger, determination, healing, and hope. The intimate collection includes poetry, eyewitness accounts, letters, speeches, journal entries, drawings, and photographs from the events of February 14 and its aftermath. Full of heartbreaking loss, a rally cry for change, and hope for a safe future, these artistic pieces will inspire readers to reflect on their own lives and the importance of valuing and protecting the ones you love.

The Color Teil chronicles Teil Duncan's artistic journey, displaying over three hundred full-color images of her work. Her studies range from figure drawings and animals to beach and pool scenes. Inspiration

comes in all sizes and shapes for Teil. She attributes her artistic talent and motivation largely to her Christian faith, which, while she lost touch with it during her young adult years, she now thrives within. Her walk with Jesus is Teil's top priority. Throughout this book, readers will become better acquainted with both the artist, as a person, and the art she creates. It is a vibrant, colorful journey that can only be described as: The Color Teil.
