[Amazon.com: Customer reviews: Beautiful Handwriting---](#)

Humans have a thing for perfection and order, and although most of us are getting worse at it every day, handwriting is no exception. True, it might be less important these days, but we mustn't dismiss the affect first impressions have on forming someone's opinion of you: if a handwritten note or letter takes the place of a face-to-face introduction, what and how you've written will be judged.
