Classic Battletech: Field Manual: Mercenaries by FanPro
A Mercenary is a soldier for hire, a warrior who fights not for a particular cause or goal but for material gain. In the Inner Sphere, private, contracted military units have been doing a lot of the fighting. Some are only in it for the cash, some for principle, but, whatever the reason, mercenary forces run the gamut from some the most disreputable to some the most elite troops available.

Mercenary - Sarna.net BattleTech Wiki

Mercenaries are an important part of the BattleTech fictional universe; the Inner Sphere and Periphery have many private military companies. As the various mercenary factions are independent and competing businesses, it is quite rare for them to work as a faction together.
