### Collywobbles definition and meaning | Collins English ...

Colly is an English dialect word meaning coal dust. Blackbirds were hence known as colly birds. The song Twelve days of Christmas is usually sung as 'my true love sent to me, four calling birds'... but the actual line is 'four colly birds'. Colly-wobbles could have derived from indisposition caused by breathing coal dust.

### 'The collywobbles' - meaning and origin.

collywobbles (n.) "nauseated feeling, disordered indisposition in the bowels," 1823, probably a fanciful formation from colic and wobble. Perhaps suggested by cholera morbus.

Etymology Attested 1823, presumably from colic + wobble. Alternative theories are that it derives from colly (‘‘coal dust’’), via the putative sense ‘‘ill from breathing coal dust’’, or that it is a corruption of cholera. The first attestation (a mention, not a usage) is in the 1823 edition of A Classical Dictionary of the Vulgar Tongue.
