The Chinese dragons do contain a rough spot, a Reverse Scale (??, Gyaku Uroko?) below their chins, that when touched, causes them to rage and devastate the earth with their rampaging power. It shows that even such perfect existences also display a deplorable side.

The paranormal world just can't seem to cut Ren a break. Just when she thought she could finally settle into normal-well, relatively normal-life as the last of the dragon shifters with her four alpha mates, she finds her people on the brink of a supernatural war. The vampires have decided all shifter kind must be exterminated, and they've got the firepower to make good on that goal. Ren's got plenty of fire of her own, of course. But she's only one dragon, and there are a whole lot of vampires. As she scrambles to protect all of her kin and figure up what the heck is up with the last of her mates, she can't help suspecting this challenge is more than she and her alphas can handle alone. The secrets buried in the dragon shifter estate may hold the answer-but finding it will force her to question everything she thought she knew about this new world.

When a great she-dragon is infected, she fears death is her only solution. The Gloom is a powerful curse, one that escaped from Hell as the first of the demons escaped many years before. This curse aims to possess all living things in an effort to corrupt and destroy. Thankfully, the dragon was spared that fate. But now she's bonded to a mortal male who holds the ultimate control over her. Ronen even goes as far as to name this creature known as nature's protector, gifting her with another form she never thought possible. Now named Fate, she must journey with Ronen to find the other two mortals in his triad. Along the way, they are confronted with those who have fallen prey to the Gloom.Will they find their missing comrades in time and save nature from the darkness, or will this be the end of yet another dragon protector?

Two worlds and only one light left to save them both...With one of her dragon guards left in Dragca, and Isola trapped on Earth, everything is spinning out of control.Isola fights to overcome her memories of Earth, as she discovers more hidden secrets than she could have ever imagined.Curses have been broken, but so have minds and hearts as the war for Dragca continues...18+ RH

Three dragons. One woman. A reverse harem fantasy that will leave you breathless and begging for more... Dareena Sellis is a nobody. The orphaned daughter of a no-name farmer, she toils away as a serving girl at Hallowdale Inn, her only marriage prospects either shipping off to war, or pawing at her skirts with their grubby, gnarled hands. But fate takes a strange turn the day a dragon huntress comes to town. Suddenly, Dareena is swept off to Dragon's Keep, trading in her raggedy dresses for silken gowns, her closet-sized room for feather pillows and spacious gardens, and her miserable suitor for three very handsome, veryvirile dragon princes. For Dareena is not a nobody. She is the Dragon's Gift--the one woman chosen by the gods every century to bear children for the future king of Dragonfell. Despite her pre-ordained path, Dareena's fate is far from certain. The crown has not given birth to more than one son in nearly a thousand years, and the line of succession is far from clear. Neither of the princes are willing to cede Dareena to the other, and yet she must choose. For the enemy is knocking on Dragonfell's door, and Dareena's decision could either mean the kingdom's salvation... ..or annihilation.

The last of her kind. Four hot alpha mates. A legacy of bloodshed. When Ren Landis goes looking for excitement on her 21st birthday, getting kidnapped is a little more than she bargained for. So is finding out that shifters exist-and that she's one too. As the last of the dragon shifters, she's got a role to fulfill: Take the alphas of the four shifter groups as her mates and unite all shifter kind. No pressure, right? Too bad Ren's fate isn't as simple as getting it on with four scorching-hot guys. Someone is out for dragon shifter blood, intent on finishing the massacre they started years ago. If Ren can't figure out how to kickstart her buried powers, her life's about to go down in flames.

A female Wolf in danger. Four Sexy Dragons determined to protect her. A Reverse Harem Paranormal Romance. Elizabeth is certain she's not meant to rule the Southeastern White Tooth Pack. Since birth, she's been told she was the wolf pack's fated leader. She is, after all, the first-born of the pack Alpha. But how can she lead them if she's never shifted? She doubts herself, but her fate is tied to the moon and Elizabeth is honor-bound to fulfill her destiny. To help Elizabeth, her mother presents her with a secret diamond necklace, magical jewels that have adorned the neck of every female in her family for hundreds of years. But evil forces lurk in the shadows. Not every wolf shifter in the pack wants Elizabeth to take power. When the Wolf Council sanctions Elizabeth as the official Fated Alpha, enemies attack her family, killing her parents. When they discover that Elizabeth survived, she must flee for her life. With nowhere to go, help comes in the form of four sexy and powerful Dragon shifters. The fierce warriors offer her their protection in their secluded mountain home. As Elizabeth mends, it's clear the four Dragon shifters crave more from her. All four men desire her. Each wants to claim her body and heart and soul. As her enemies close in, can the men keep Elizabeth safe by their side and help her reclaim her place as leader of her pack? Elizabeth and the Clan of Dragons is Book One of the Fated Alpha Series. Each book features a paranormal romance, reverse harem with one woman and four sexy, demanding and protective shifters.

Deva Rainsong has a mission to take revenge on a god, but all she really wants is to understand why one mortal man doesn't love her. Once upon a time, Ozzie West was her first love, her savior, and the man she always believed she could count on no matter what. But to him it's as if she never existed. Unfortunately Deva's mission won't wait, and she needs Ozzie's love to fulfill her promise to Fate or their entire world could come crashing down around them. Because when you piss off a god, you'd better have the power to strike back.

Don't f\*ck with Fate. Deva Rainsong has found her dragon soul, but she still feels incomplete. As a chimera, bred in a lab from the blood of all four higher races combined with human blood, it will take no less than a fragment of a soul from all five races to complete hers. Yet even as she starts to believe that she can finally be complete and all her powers awakened, her hopes are dashed when her soul gifts come with unexpected side effects. And to top it off, more fate hounds have been systematically killing other members of the bloodline, putting Deva's suitors in danger. Everyone knows that Fate doesn't like loose ends, but Deva is still scrambling for an explanation for the attacks. Will she be able to discover Fate's plan before it's too late? Warning: This series is a spinoff of Ophelia Bell's epically sexy "Immortal Dragons" series. It is a fast-burn HOT and steamy RH odyssey, with some M/M content, not meant for the faint of heart (or libido)... #whychoose!

Four Dragon Guards. Three Curses. Two Heirs. One Choice... Forbidden love or the throne of the dragons? Isola Dragice thought she knew what her future would bring. One life-threatening accident, when she loses control of her dragon, ends up with the whole of Dragca academy hating her. When the four most powerful dragons in history are ordered to protect her, they find themselves with an awkward problem. Her family cursed them centuries ago, relegating them to slaves of the throne and they hate all royals. Especially an ice dragon princess with no control over her powers that can kill fire dragons. Which the whole school is full of. What happens when fire falls for ice? 18+ \*\*Reverse harem\*\*
