Assessment Definition
of physical examination
(Head to Toe

Assessment): A physical examination is the evaluation of a body to determine its state of health.. A complete physical examination (head to toe assessment) usually starts at the head and proceeds all the way to the toes. However, the exact procedure will

Physical assessment a
systematic data

collection method that

uses the senses of sight,
hearing, smell and touch
to detect health

problems. There are four
techniques used in

physical assessment and
these are: Inspection,
palpation, percussion
and auscultation .
