Legends, Myths and Folktales (Britannica Learning Library ... Legend, traditional story or group of stories told about a particular person or place. Formerly the term legend meant a tale about a saint. Legends resemble folktales in content; they may include supernatural beings, elements of mythology, or explanations of natural phenomena, but they are associated with a particular locality or person and are told as a matter of history.

Legend and folklore. Side by side with the Midrashic Haggada, which was the outgrowth of Bible exegesis and developed in the academies, the Talmuds and Midrashic collections contain a large quantity of Haggadic material with mythological rudiments, allusions to pagan beliefs and customs, and folkloristic elements of a world strange to the rabbis. Folktales and legends, animal lore, and adventure narratives, containing pagan ideas and beliefs, that were told by their Gentile neighbours were ...

Folktales Britannica Learning ...

Myths, legends, and folktales lie at the beginning of literature, and their plots, situations, and allegorical (metaphorical narrative) judgments of life represent a constant source of literary inspiration that never fails. This is so because mankind is constant—people share a common physiology. Even social structures, after the development...

you with your research.

World Folklore: Folktales, Ghost Stories, Myths, Legends, more
The tendency to interpret biblical tales and legends as authentic historical records or as allegories or as the relics of solar, lunar, and astral myths is now a thing of the past. The modern folklorist is interested in the legends because they push back to remote antiquity several tales and motifs long known from later literature.
