Things at the Grace residence are getting completely out of hand. As if being attacked by goblins and almost eaten by a bridge troll wasn't enough, now the house boggart, Thimbletack, is out to get Jared. If only they could work out why the faeries are stalking them? Could it be the Guide that they want? There's only one person who might know the answer - their crazy old Aunt Lucinda.

Talk about out of the frying pan, into the fire! I was pretty sure that my freaky stepsister and that freaky field guide of hers would ruin my life. But now it looks like they're going to ruin all of Florida, too! Okay, maybe that's not fair. Maybe all these stupid giants would be waking up anyway, but if it wasn't for her and that book, I'd be home playing video games and this would be someone else's giant problem!
