Here ' s how you build an F chord. Find

Where To Download Piano Course Color Chord

the spot on the piano where there are 3 black keys grouped together. The white key immediately to the left of them is an F. And that is true for EVERY group of 3 black keys on the piano. The white key next to them is always an F, it ' s just at different pitches. Once you ' ve found F, count up 5 white notes.

~~Playing Piano With Rosa: Color Chord
Improvisation~~

Now this is fine to learn more scales, but it

Where To Download Piano Course Color Chord

can become extremely overwhelming when you can use multiple scales to improvise over a given chord. For example, on a dominant 7 chord, I use 5 different scales (see the Scales for Soloing on 7th Chords course). Now, multiply that by 12 dominant chords on the piano – that 's 60 scales... Yikes!
