find C on the piano then you should be able to label all of the other notes. If you sit at your piano keyboard and find the two black notes that are together and move to the white note that is to the left of them you have found middle C. If you look up and down the piano keys and find the two black notes together and move one note to the left you will always be on a C.

Another point to have in mind while reading notes is their corresponding position on the piano keyboard. Just like on a music sheet, notes are next to one another on the keyboard. Furthermore, this means that two line notes (separated by one space) are also separated by a note on the keyboard. The same goes other way around. Two space notes (separated by one line) are separated by one note on the keyboard.

A Piano Lessons Beginners Guide for Children & Adults. This book is suitable for children and adults who are about to start piano, keyboard or organ lessons. This book is aimed specifically at beginners who want to learn to play a keyboard instrument, this can be piano, electronic keyboard and electric organ. I actually wrote this book for myself to use as a resource when I teach new students how to play the piano. Since every piano keyboard player has had to learn what's in this book, it made sense to create a book that's easy to

follow and can easily be shared. This learn to play piano book should be used before you buy a course book, in fact it should be the first book you go to before you start to play the piano. All keyboard players know this information, all piano teachers will teach you the information in this book before giving you sheet music to play. This is not a learn to play in 24 hours book, its not for advanced players, there's no secrets in this book, the info in this book is freely available if you want to search for it. I like to call the info in this piano book "essential information" for students who know nothing about music theory and playing the piano. Here's what's in this book: 01 Note names on the keyboard In this section you will learn all the white notes on a keyboard 02 The staff Here we show what the staff looks like and what symbols you can
