Tax-Free Wealth is about tax planning concepts. It's about how to use your country's tax laws to your benefit. In this book, Tom Wheelwright will tell you how the tax laws work. And how they are designed to reduce your taxes, not to increase your taxes. Once you understand this basic principle, you no longer need to be afraid of the tax laws. They are there to help you and your business—not to hinder you. Once you understand the basic principles of tax reduction, you can begin, immediately, reducing your taxes. Eventually, you may even be able to legally eliminate your income taxes and drastically reduce your other

The book begins by addressing many of the challenges stock market investors face today and the various ways many investors use the stock market to achieve their goals. A valuable discussion of where paper assets fit (and do not fit) in the context of Rich Dad principles and its place among the other assets classes such as real estate business and commodities. The bulk of the book educates investors on "Andy's 4 pillars of stock market income" and effectively simplifies the four concepts to help investors begin to harness their power. The book concludes with ideas for an individual action plan suited to the goals of the reader

A step-by-step guide to estate planning disseminates information in a comprehensive format and covers such topics as how and when to use wills, preparing living trusts, and protecting one's family. Original.

If you're interested in real estate investing, you may have noticed the lack of coverage it gets in mainstream financial media, while stocks, bonds, and mutual funds are consistently touted as the safest and most profitable ways to invest. According to real estate guru Ken McElroy, that's because financial publications, tv and radio programs make the bulk of their money from advertising paid for by the very companies who provide such mainstream financial services. On the other hand, real estate investment is

something you can do on your own—without a large amount of money up front. Picking up where he left off in the bestselling ABC's of Real Estate Investing, McElroy reveals the next essential lessons and information that no serious investor can afford to miss. Building on the foundation of real estate investment 101, McElroy tells readers: How to think--and operate--like a real estate mogul How to identify and close expert deals Why multifamily housing is the best real estate investment out there How to surround yourself with a team that will help maximize your money How to avoid paying thousands in taxes by structuring property sales wisely Important projections about the future of real estate investment
