On the day the end begins, the sea will reveal a mystery. Ex-Navy SEAL Jack Kirkland surfaces from an aborted underwater salvage mission to find the Earth burning. Solar flares have triggered a series of gargantuan natural disasters. Earthquakes and hellfire rock the globe. Air Force One has vanished from the skies with America's President on board. Now, with the U.S. on the narrow brink of a nuclear apocalypse, Kirkland must pilot his ocean-going exploration ship, Deep Fathom, on a desperate mission miles below the ocean's surface. There devastating secrets await him—and a power an ancient civilization could not contain has been cast out into modern day. And it will forever alter a world that's already racing toward its own destruction. See why the Providence Journal-Bulletin calls James Rollins "the modern master of the action thriller" with this classic Rollins tale.

“ A real page-turner. . . Rollins keeps the story in overdrive, with plenty of twists and turns before the final shocker. ” —Douglas Preston, co-author of The Monster of Florence A classic adventure from James Rollins, the author of The Doomsday Key, The Last Oracle, The Judas Strain, Black Order, and other pulse-pounding, New York Times bestselling thrillers, Excavation carries readers deep into the jungles of South America, and into the terrifying heart of dark mysteries that should never be unearthed.

The Rand scientific expedition entered the lush wilderness of the Amazon and never returned. Years later, one of its members has stumbled out of the world ' s most inhospitable rainforest—a former Special Forces soldier, scarred, mutilated, terrified, and mere hours from death, who went in with one arm missing . . . and came out with both intact. Unable to comprehend this inexplicable event, the government sends Nathan Rand into this impenetrable secret world of undreamed-of perils to follow the trail of his vanished father . . . toward mysteries that must be solved at any cost. But the nightmare that is awaiting Nate and his team of scientists and seasoned U.S. Rangers dwarfs any danger they anticipated . . . an ancient, unspoken terror—a power beyond human imagining—that can forever alter the world beyond the dark, lethal confines of Amazonia.

A war is coming, a battle that will stretch from the prehistoric forests of the ancient past to the cutting-edge research labs of today, all to reveal a true mystery buried deep within our DNA, a mystery that will leave readers changed forever . . . In this groundbreaking masterpiece of ingenuity and intrigue that spans 50,000 years in human history, New York Times bestselling author James Rollins takes us to mankind ' s next great leap. But will it mark a new chapter in our development . . . or our extinction? In the remote mountains of Croatia, an archaeologist makes a strange discovery: a subterranean Catholic chapel, hidden for centuries, holds the bones of a Neanderthal woman. In the same cavern system, elaborate primitive paintings tell the story of an immense battle between tribes of Neanderthals and monstrous shadowy figures. Who is this mysterious enemy depicted in these ancient drawings and what do the paintings mean? Before any answers could be made, the investigative team is attacked, while at the same time, a bloody assault is made upon a primate research center outside of Atlanta. How are these events connected? Who is behind these attacks? The

search for the truth will take Commander Gray Pierce of Sigma Force 50,000 years into the past. As he and Sigma trace the evolution of human intelligence to its true source, they will be plunged into a cataclysmic battle for the future of humanity that stretches across the globe . . . and beyond. With the fate of our future at stake, Sigma embarks on its most harrowing odyssey ever—a breathtaking quest that will take them from ancient tunnels in Ecuador that span the breadth of South America to a millennia-old necropolis holding the bones of our ancestors. Along the way, revelations involving the lost continent of Atlantis will reveal true mysteries tied to mankind ’ s first steps on the moon. In the end, Gray Pierce and his team will face to their greatest threat: an ancient evil, resurrected by modern genetic science, strong enough to bring about the end of man ’ s dominance on this planet. Only this time, Sigma will falter—and the world we know will change forever.

“ Every James Rollins delivers mach-speed mayhem, throat-clutching suspense, high-style adventure, and a terrific story told terrifically. ” —Steve Berry, author of *The Warsaw Protocol* Combining science, history, and breakneck suspense—and a secret tied to the Book of Genesis—*Altar of Eden* is sure to satisfy every James Rollins fan while winning over a slew of new converts. Following the fall of Baghdad, two Iraqi boys stumble upon armed men looting the city zoo. The floodgates have been opened for the smuggling of hundreds of exotic birds, mammals, and reptiles to Western nations, but this crime hides a deeper secret. Amid a hail of bullets, a concealed underground weapons lab is ransacked—and something even more horrific is set free. Seven years later, Louisiana state veterinarian Lorna Polk stumbles upon a fishing trawler shipwrecked on a barrier island. The crew is missing or dead, but the boat holds a frightening cargo: a caged group of exotic animals, clearly part of a black market smuggling ring. Yet, something is wrong with these beasts, disturbing deformities that make no sense: a parrot with no feathers, a pair of Capuchin monkeys conjoined at the hip, a jaguar cub with the dentition of a saber-toothed tiger. They also all share one uncanny trait—a disturbingly heightened intelligence. To uncover the truth about the origin of this strange cargo and the terrorist threat it poses, Lorna must team up with a man who shares a dark and bloody past with her and is now an agent with the U.S. Border Patrol, Jack Menard. Together, the two must hunt for a beast that escaped the shipwreck while uncovering a mystery tied to fractal science and genetic engineering, all to expose a horrifying secret that traces back to humankind's earliest roots. But can Lorna stop what is about to be born upon the altar of Eden before it threatens not only the world but also the very foundation of what it means to be human?

In his first-ever collaboration, New York Times bestselling author James Rollins combines his skill for cutting-edge science and historical mystery with award-winning novelist Rebecca Cantrell ’ s talent for haunting suspense and sensual atmosphere in a gothic tale about an ancient order and the hunt for a miraculous book known only as . . . *The Blood Gospel*
