*The 13 Lives Of Captain*
The 13 1 ? 2 Lives of Captain Bluebear is a 1999 fantasy novel by German writer and cartoonist Walter Moers which details the numerous lives of a human-sized bear with blue fur. The captain's name is originally a pun in German, based upon the fact that the German words for "bears" (Bären) and "berries" (Beeren) sound very much alike, whereas Blaubeere (lit. "blueberry") is actually the ...

*The 13½ Lives of Captain Bluebear* - *Wikipedia*
A unique novel set in a magnificently rendered imaginary country. Bluebear is a bear with blue fur and 27 lives, 13 1/2 of which he uses up by the end of the book, in a world as far removed from our own as can possibly be imagined - mysterious Zamonia. Captain Bluebear is a German cartoon hero, part sci-fi, part fairy-tale.

*The 13 1/2 Lives of Captain Bluebear: Amazon.co.uk: Moers ...*
In this remarkable book, Captain Bluebear tells the story of his first thirteen-and-a-half lives spent on the mysterious continent of Zamonia, where intelligence is an infectious disease and water flows uphill, where headless giants roam deserts made of sugar, and where only Captain Bluebear's courage and ingenuity enable him to escape the dangers that lie in wait for him around every corner.

The 13 1/2 Lives of Captain Bluebear has sold 200,000 copies in Germany and is a phenomenally successful TV programme. Walter Moers was born in 1957 and is an author, cartoonist, painter and scriptwriter. Country of Publication: United Kingdom: Author: Walter Moers: Topic: General Fiction: Spine: 51mm: Date of Publication: 05/10/2000: Out-Of-Print Date: 30/03/2005

A delightfully illustrated cult novel, literary satire and epic adventure. 'Within the first 15 pages I was carried away by the sheer craziness of it all. Some Minipirates find a baby bear with blue fur inside a walnut shell floating on the ocean towards a giant whirlpool. They rescue him and teach him about knots and waves, and that a good white lie is often considerably more exciting than the truth. Then, when he outgrows their ship to such an extent that he is in danger of sinking it, they abandon him on an island with a bottle of seaweed juice and a loaf of seaweed bread. Thus Bluebear comes to the end of his first life and embarks on his second. By the end of the book, he has expended exactly half of his 27 lives. Again and again, Moers confounds our expectations as the narrative twists and turns, travels backwards and forwards in time. Part science fiction, part fairy tale, part myth, part epic, the book is a satire on all these genres and so constantly satirises itself. Very amusing' - Daily Telegraph

The search for the author’s identity takes Yarnspinner to Bookholm—the so-called City of Dreaming Books. On entering its streets, our hero feels as if he has opened the door of a gigantic second-hand bookshop. His nostrils are assailed by clouds of book dust, the stimulating scent of ancient leather, and the tang of printer’s ink. Soon, though, Yarnspinner falls into the clutches of the city’s evil genius, Pfishommel Smyke, who treacherously maroons him in the labyrinthine catacombs underneath the city, where reading books can be genuinely dangerous. In The City of Dreaming Books, Walter Moers transports us to a magical world where reading is a remarkable adventure. Only those intrepid souls who are prepared to join Yarnspinner on his perilous journey should read this book. We wish the rest of you a long, safe, unutterably dull and boring life!

In a world between legend and dream, A Wild Ride through the Night describes the exhilarating and comic adventures of his twelve-year-old protagonist Gustave, a boy who aspires one day to be a great artist. When a disaster at sea puts Gustave in the uncompromising hands of Death, he has the choice to give up the ghost or take on a series of six impossible tasks. Gustave embarks on a strange and perilous journey during which he must save a princess from an angry dragon, pull a tooth from the Most Monstrous of All Monsters, fly over the moon, and even, somehow, meet his own self. Will Gustave's creativity and imagination be able to save him from his fate?

The thrilling extension of the eBook novella Origins, The Outcast continues Arcturus's story into a feature length novel. When stable boy Arcturus accidentally summons a demon and becomes Hominum's first common summoner, he becomes the key to a secret that the powerful overlords would do anything to keep hidden. Whisked away to Vocans Academy so he can be kept watch over, Arcturus finds himself surrounded by enemies. But he has little time to settle in before his life is turned upside down once again, for Hominum Empire is in turmoil. Rebellious intent simmers among the masses, and it will not be long before it boils over. Arcturus must choose a side . . . or watch an Empire crumble. The Summoner Trilogy The Novice The Inquisition The Battlemage Also in the Summoner series The Outcast (Summoner: The Prequel) The Summoner's Handbook (coming Fall 2018) A Fine Welcome: Othello's Journey (A Summoner Short Story)

"A bluebear has twenty-seven lives. I shall recount thirteen and a half of them in this book but keep quiet about the rest," says the narrator of Walter Moers's epic adventure. "What about the Minipirates? What about the Hobgoblins, the Spiderwitch, the Babbling Billows, the Troglotroll, the Mountain Maggot...Mine is a tale of mortal danger and eternal love, of hair's breadth, last-minute escapes." Welcome to the fantastic world of Zamonia, populated by all manner of extraordinary characters. It's a land of imaginative lunacy and supreme adventure, wicked satire and epic fantasy, all mixed together, turned on its head, and lavishly illustrated by the author.

Framed within the frenzy leading up to a Super Bowl, Gary Brackett flashes back to the defining moments and lessons in his journey leading to the threshold of a championship season. With his heart metaphorically on his jersey sleeve, Gary invites the reader inside the world of NFL football and the drama leading up to the biggest game day of the year. Along the way, Gary provides glimpses of real-life heroes, on and off the field, as he recounts the stories in this touching testament to the memory of his mom, dad and brother.

The culmination of the life work of the most distinguished historian of Pacific exploration, this lavishly illustrated biography places Cook in the context of his times and affirms his eminence in the history of maritime discovery.

For many years the story of Cromie has been overshadowed by histories of the greater tragedy found on the Western Front in World War I. Yet, like T E Lawrence, Cromie's individual exploits reveal a classic British hero: noble, tenacious and beloved by all who served under him. Churchill called him a man of exceptional gifts. Cromie became a submarine commander at the remarkably young age of 24. By this time he had already seen action in the Boxer Rebellion, received the China Medal and had been mentioned in despatches. His compassion and care for his men gained him the Royal Humane Society's Bronze Medal, when he almost lost his life attempting to save a drowning sailor. In 1915 he was chosen to head a flotilla of submarines to attack German shipping in the Baltic Sea. Here, he achieved great success despite the hazardous nature of the climate and the threat of the German navy. He was decorated three times by the Czarof Russia and received the DSO. During his three years in the Baltic he became fluent in Russian. He only survived the difficulties of the Bolshevik Revolution in 1917 because of his consummate skills as a mediator and diplomat. His murder in the British Embassy in 1918 at the age of 37 remained a tragic mystery for many years ? until now. Bainton's extensive research has revealed why Cromie has previously been omitted from official histories of that difficult period. The circumstances surrounding his murder exposed facts about his complex character, his relationship with the Bolsheviks and the British Establishment - and importantly the story uncovers the duplicity of the allies as they struggled to formulate a reaction to the tidal wave of the Russian Revolution.

A unique and powerful personal tale about the great joy and devastating price of playing professional football, by a legendary former NFL linebacker One of the greatest linebackers to ever play professional football, Harry Carson built a reputation during his 13 years in the NFL as a fearsome, physical and passionate player who would give everything he had to win. Whether violently tackling running backs, engaging blockers with reckless abandon or ferociously attacking the line of scrimmage, Carson will always be remembered as having played the game the way it's meant to be played--all out. For the first time ever, this legendary athlete takes readers on an unlikely journey to the NFL that began in the small town of Florence, South Carolina to his days at little known South Carolina State University--and then the bright lights of professional football in New York, playing for the Giants. Carson's story of his life as a football player and after his retirement is more powerful and eye-opening than any that's come before. Within these pages, Carson reveals the startling truth behind the sacrifices these great warriors make for our entertainment, the thrill of stepping onto a field with 80,000 fans screaming your name, and the debilitating physical and mental toll this violent and uncompromising game takes. With insight into some of the game's biggest stars, from Lawrence Taylor to Bill Parcells to Phil Simms this book is a must for any NFL fan.

Featuring an appendix of discussion questions, the Diversion Classics edition is ideal for use in book groups and classrooms. Peter Blood, Irish physician and former soldier, is happily settled as the doctor of a small English town. But when the rebellion of the Duke of Monmouth reaches him, saving one man's life ends up costing him his entire world. Sentenced to indentured slavery in the Caribbean, Peter escapes, becoming the most fearless pirate on the Spanish Main—Captain Blood. But his life of adventure and the glory of his victories are no baln to Peter Blood's wounded soul. All he wants is a cleared name and return to England a free man, to win the heart of the beautiful Arabella Bishop.
