The Legacy Journey A Radical View of Biblical Wealth and Generosity (Book) : Ramsey, Dave : "In The Legacy Journey, New York Times bestselling author Dave Ramsey takes you deep into God's Word, revealing His perspective on wealth, your personal and family legacy, and how He wants to use you to further His kingdom work around the world. You can truly live--and leave--a legacy.

~~The Legacy Journey (Book) | Mid-Continent Public Library ...~~

"The Legacy Journey" explains where my road is going. This book gives a sense why it is important to be generous. It tells me why I must create a legacy for my grandchildren. Legacy is a noun but love is an action verb. The "Journey" began when I met 2nd spouse, my bonus-daughter and son-in-law and since the first days of my grandchildren's birth.

~~Opinion | My Journey to Radical Environmentalism—The New ...~~

Reimagining Prison Listening to the voices of corrections leaders, formerly incarcerated people, scholars, thought leaders from across the political spectrum, and members of the public, we have settled on a singular foundational value—human dignity—on which a new prison system, and new ethos of confinement, should be based.

What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is “ enough ” ? There ’ s a lot of bad information in our culture today about wealth and the wealthy. Worse, there ’ s a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God ’ s put in their care. They were able to build wealth using God ’ s ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?

Drawing on biblical wisdom, the author delivers what he sees as God's perspective on wealth, one's personal and family legacy, and how God wants to use people to further his kingdom work around the world. By a #1 best-selling author.

When you hear the word retirement, you probably don't imagine yourself scrambling to pay your bills in your golden years. But for too many Americans, that's the fate that awaits unless they take steps now to plan for the future. Whether you're twenty five and starting your first job or fifty five and watching the career clock start to wind down, today is the day to get serious about your retirement. In *Retire Inspired*, Chris Hogan teaches that retirement isn't an age; it's a financial number an amount you need to live the life in retirement that you've always dreamed of. With clear investing concepts and strategies, Chris will educate and empower you to make your own investing decisions, set reasonable expectations for your spouse and family, and build a dream team of experts to get you there. You don't have to retire broke, stressed, and working long after you want to. You can retire inspired!

New York Times • Times Critics Top Books of 2019 This long-overdue biography reestablishes William Monroe Trotter ’ s essential place next to Douglass, Du Bois, and King in the pantheon of American civil rights heroes. William Monroe Trotter (1872– 1934), though still virtually unknown to the wider public, was an unlikely American hero. With the stylistic verve of a newspaperman and the unwavering fearlessness of an emancipator, he galvanized black working- class citizens to wield their political power despite the violent racism of post- Reconstruction America. For more than thirty years, the Harvard-educated Trotter edited and published the *Guardian*, a weekly Boston newspaper that was read across the nation. Defining himself against the gradualist politics of Booker T. Washington and the elitism of W. E. B. Du Bois, Trotter advocated for a radical vision of black liberation that prefigured leaders such as Marcus Garvey, Malcolm X, and Martin Luther King Jr. Synthesizing years of archival research, historian Kerri Greenidge renders the drama of turn- of- the- century America and reclaims Trotter as a seminal figure, whose prophetic, yet ultimately tragic, life offers a link between the vision of Frederick Douglass and black radicalism in the modern era.

Igniting a long-overdue dialogue about how the legacy of racial injustice and white supremacy plays out in society at large and Buddhist communities in particular, this urgent call to action outlines a new dharma that takes into account the ways that racism and privilege prevent our collective awakening. The authors traveled around the country to spark an open conversation that brings together the Black prophetic tradition and the wisdom of the Dharma. Bridging the world of spirit and activism, they urge a compassionate response to the systemic, state-sanctioned violence and oppression that has persisted against black people since the slave era. With national attention focused on the recent killings of unarmed black citizens and the response of the Black-centered liberation groups such as Black Lives Matter, *Radical Dharma* demonstrates how social transformation and personal, spiritual liberation must be articulated and inextricably linked. Rev. angel Kyodo Williams, Lama Rod Owens, and Jasmine Syedullah represent a new voice in American Buddhism. Offering their own histories and experiences as illustrations of the types of challenges facing dharma practitioners and teachers who are different from those of the past five decades, they ask how teachings that transcend color, class, and caste are hindered by discrimination and the dynamics of power, shame, and ignorance. Their illuminating argument goes beyond a demand for the equality and inclusion of diverse populations to advancing a new dharma that deconstructs rather than amplifies systems of suffering and prepares us to weigh the shortcomings not only of our own minds but also of our communities. They forge a path toward reconciliation and self-liberation that rests on radical honesty, a common ground where we can drop our need for perfection and propriety and speak as souls. In a society where profit rules, people's value is determined by the color of their skin, and many voices—including queer voices—are silenced, *Radical Dharma* recasts the concepts of engaged spirituality, social transformation, inclusiveness, and healing.

Have you ever thought to yourself: "There's got to be more to life than this?" There's an adventure in your life waiting to be unlocked by your radical yes. Christina Koch left a life of darkness and said yes to following Jesus, as He helped her: Uproot lies in her life and replace them with truth Walk through seasons of confusion and wilderness Overcome fear and anxiety Take courageous, life-changing risks Christina will inspire, embolden, and infuse strength and radical faith as she shares her journey with you of being catapulted into her yes-more than she ever imagined. Join her as she lives out her own voyage of saying yes to Jesus in *The Journey of a Radical Yes*. Learn what it's like to let go of the reins and surrender to Jesus as He calls you out of your own boat to walk on water.

First published in 1971, *Rules for Radicals* is Saul Alinsky's impassioned counsel to young radicals on how to effect constructive social change and know “ the difference between being a realistic radical and being a rhetorical one. ” Written in the midst of radical political developments whose direction Alinsky was one of the first to question, this volume exhibits his style at its best. Like Thomas Paine before him, Alinsky was able to combine, both in his person and his writing, the intensity of political engagement with an absolute insistence on rational political discourse and adherence to the American democratic tradition.

Collects twenty-three selections of Dr. King's speeches that illustrate his revolutionary vision, highlighting his identification with the poor, his opposition to the Vietnam War, and his crusade against global imperialism.

This question and answer book is the perfect resource guide for equipping individuals with key information about everyday money matters.
