Have you dabbled in shares or the stock market? And wondered what spread betting was all about and whether you should be doing it? Perhaps you thought it all looked a bit complex or was just for City boys? Now here is a new beginner's guide that explains - in plain English - how to do it, and how to make money from it! Spread betting shares can be dangerous: most people lose - some even lose their shirts. But it's not a world populated by pinstriped men waiting to rob you, steal your savings and do nasty things to small kittens. You can win. (And you never have to pay a penny in tax!) This book shows you how. Robbie Burns, bestselling author of The Naked Trader, has been spread betting for years. He explains why it's an indispensable tool to use alongside normal investing or trading. Especially as you can make money even if the market goes down. Robbie takes you through everything from how it works, to managing your risk, working out exposure, and how, often, doing nothing is the best move! He explains the ins and outs of successfully betting on shares in his trademark down-to-earth style, covering everything you need to know. From the simple stuff through to proven strategies, including those that can be used in different markets - it's all here. There are also behind-the-scenes visits to two top spread betting firms. But it's a big, bad old world out there, and there are a whole heap of mistakes you can make, an awful lot of money you can lose. Rounding up spine-chilling traders' tales of spread bets gone wrong, and using all he has learnt from making silly mistakes himself, Robbie also helps you learn what not to do. This is the ultimate guide to spread betting - how to do it, have fun and hopefully make a few quid.

Take a bite out of the markets with the Naked Trader in his 100% all-new book about TRADING PSYCHOLOGY! This book is for anyone who really wants to consistently make money trading shares. Trading and investing can be tough most fail. The human mind is to blame. It's prone to emotion, cluttered with distractions like Twitter and social media, easily trapped by scams. But it's possible to make money in the markets and to do so reliably. Robbie Burns, aka The Naked Trader, has been trading successfully from his home for 15 years making over £2m tax-free (while eating a lot of toast and watching Game of Thrones). Hell's also met and helped thousands of fellow traders at his seminars, seen every possible trading meltdown, and knows exactly what can go wrong but also how to put it right. In Trade Like a Shark, Robbie uses his unique firsthand experience and the real-life stories traders have shared with him to expose exactly how the human mind can play havoc with your trading. At the same time he reveals his tried-and-tested methods for overcoming it, showing how to be a shark, gobbling up money from the 'fish' who are full of fear, greed and other emotions. (And also why modelling yourself on Mr Spock can work wonders.) If you've run into problems trading in the stock market or just want to reinforce good habits there is no better or wittier guide to the pitfalls that are out there, and some surprisingly effective ways to overcome them. It's a must-read book on trading psychology without the jargon. Read it and take your trading to the next level now!

A streamlined and highly effective approach to trading without indicators Most forex traders rely on technical analysis books written for stock, futures, and option traders. However, long before computers and calculators, traders were trading naked. Naked trading is the simplest (and oldest) trading method. It's simply trading without technical indicators, and that is exactly what this book is about. Traders who use standard technical indicators focus on the indicators. Traders using naked trading techniques focus on the price chart. Naked trading is a simple and superior way to trade and is suited to those traders looking to quickly achieve expertise with a trading method. Offers a simpler way for traders to make effective decisions using the price chart Based on coauthor Walter Peters method of trading and managing money almost exclusively without indicators Coauthor Alexander Nekritin is the CEO and President of TradersChoiceFX, one of the largest Forex introducing brokers in the world Naked Forex teaches traders how to profit the simple naked way!
