A sewing machine is a machine used to sew fabric and materials together with thread. Sewing machines were invented during the first Industrial Revolution to decrease the amount of manual sewing work performed in clothing companies. Since the invention of the first working sewing machine, generally considered to have been the work of Elias Howe and Englishman Thomas Saint in 1790, the sewing ...

Sewing machine - Wikipedia

The Sewing Machine is the debut novel from Natalie Fergie, a book that spans generations from the 1911 mass strike at The Singer Factory in Clydebank, Scotland to more than 100 years later to 2016 in Leith. Natalie Fergie takes the reader on a journey with a sewing machine and it's impact on the generations that followed.
